

# Contests & Promotions

Your participation and cooperation are important aspects in achieving an excellent orthodontic result/experience. To recognize your efforts, we offer several fun contests and promotions!

## Your Rewards Card

At the beginning of treatment, each patient is issued a rewards card. Bring your card to each appointment, give it to your dental assistant to swipe, and watch the points pile up! Points can be redeemed for gift cards that will be mailed directly to your home! Check your point balance and redeem prizes by going to [www.pcortho.com](http://www.pcortho.com) and clicking the Rewards Login tab, or the rewards card image.
